3. A check indicates that the Special Release Section, LD/CR, does not require dissemination of publications through its office, so PP/C may carry out its desired dissemination directly. However, OCR should be informed of the recipients to whom Agency reports go, i.e., their interest has to do with security of the offices in outside organizations through which reports are channeled. The Special Release Section, LD/CR, may be utilized where it is convenient to PP/C to do so.
